

# Bayside Environment Friends Network

March 2009

Dear Friends

Bayside Environment Friends Network has applied for the **"Keep Australia beautiful" 2009 Award**. They have contacted me and a judge will come out and see what the network has done so far. I suggested they join us on April 4, 2009 for our Nature Discovery Day at Half Moon Bay. This needs still to be confirmed.

On April 18, 2009 Landcare Victoria is holding an Expo at Caulfield Racecourse called **L.I.F.E. (Landcare Is For Everyone)**. They are looking for stallholders. I think it would be a great idea to show what BEFN as an urban network is all about. See more details at:

[www.landcarevic.net.au/events/life-expo](http://www.landcarevic.net.au/events/life-expo). And we could use quite a bit of the material that we have produced for the Half Moon Bay Day.

**Please tell me what you think as soon as you can.**

Finally regards the **Nature Discovery Day**: I am in the process of creating a flyer. I'll send it out to you with the press release as soon as finished. For the program I am still waiting for a few confirmations. As soon as they arrive I will inform you and we can 'fine tune' the day.

On Friday 20.03.09 at 10am I would love to meet with you at Half Moon Bay to see the site for the Discovery Day and talk about locations for activities. Please indicate if you can come.

That's all. Have a lovely long weekend.  
Isn't the rain great!

Barbara Jakob
