Viewing and Sorting Results

You can Sort your search results in **Ascending** or **Descending** order according to your most important attribute: Date, Relevance (to your search criteria), Title, Author, Publisher, ISBN, Format, Price, or Market.

Your sorted list of Search Results will show symbols by the selection box for each title. Use the legend to determine if the titles: are **Reviewed**, have a **Synopsis**, **Full Text Preview** availability, **Stock information**, or are available to preview. Use these symbols to select which titles will be most helpful for you to view in greater detail.
