

# Water Sensitive Urban Design (Stormwater Management)

4 June 2009

## Consultants trained in MUSIC and STORM

The following is a list of consultants known to have undertaken a Clearwater Training Program in the application of MUSIC and/or STORM. Please note that there may be other professional firms that have also undertaken training that may not be included on this list.

The list is intended as guide to assist people to identify professionals that may assist in the design and assessment of water sensitive urban design elements associated with their development. Please note that this is not intended as a list of Council recommended tenderers or an endorsement of any these consultants.

It is the responsibility of applicants to make sure that they are happy with the consultants and the services they provide.
