

BAYSIDE CHRISTMAS

# CAROLS IN THE PARK

---

## Mike Larkan

Over the years Mike's outgoing personality and talent has made him a household name as the weatherman for Channel TEN.

He enjoys making the weather entertaining with live crosses from Melbourne landmark's including Melbourne Zoo, Flemington Racecourse, beaches and parks.

He got more than he bargained for on one outdoors broadcast, when a rhino at Werribee's Open Range Zoo charged the car he was sitting in.

Before moving to Melbourne in the mid-90's, he worked in regional radio stations in NSW and Canberra.

Prior to this, Mike travelled extensively in Europe, North Africa and the United States in the early 1980s. During this time he turned his hand to many jobs including picking olives in Greece, milking cows in Israel and working as an extra in a Hollywood movie.

An Ambassador for Australia Day and the Melbourne Zoo, Mike also enjoys doing charity work, including *Mike Larkan's Give a Dog a Home with the Lost Dogs Home*.
