

Bayside Wedding Guide

Celebrate your very special day in very special Bayside.

The City of Bayside is only 15 minutes south of Melbourne's CBD, with 17 kilometres of stunning foreshore and beaches from Brighton to Beaumaris. Bayside is also home to many picturesque parks, including lovely heritage gardens and buildings.

If you are looking for autumnal colour, the renewal of spring, or the dappled shade of a summer canopy, the parks and gardens of Bayside are a yearlong delight.

You can make your commitment to each other with the backdrop of yesteryear in front of one of our historic buildings, or with a scenic vista from Bayside's iconic beachfront.

Whether your ceremony is traditional or contemporary, intimate or grand, the Bayside area has many lovely locations that will help make your wedding day a memorable one.
