

Bayside City Council

Immunisation

What to expect at immunisation

- All our immunisation sessions are by appointment only.
- We have immunisation sessions each month throughout our municipality (see schedule).
- If you are coming to see us for the first time, make sure you have your Medicare card and your child's health record book.
- All scheduled immunisations are cost free.
- Additional non-funded infant vaccines are available for purchase (Please see website for more information).
- We ask that you stay for 15 minutes after any immunisation.
- Our team of professional nurses will be more than happy to answer your questions on the day.

For more information about immunisation

If you have any questions before or following immunisation, please phone either:
