- [https://youtu.be/JnGK8VCq\\_zo](https://youtu.be/JnGK8VCq_zo)

# Beaumaris Reserve Pavilion

# Beaumaris Reserve Pavilion

- Completed June 2022
- Accessible single storey pavilion
- 4 x gender inclusive changerooms
- Gender neutral inclusive referees' room
- 100sqm social space with accessible inclusive amenities
- Club storerooms and First Aid room
- Upgraded kiosk
- Kitchenette to enable community shared usage
- Accessible Public toilet

# Beaumaris Reserve Pavilion

The pavilion is designed as a SMART building responding to Bayside's declaration of a climate emergency and features:

- solar panels
- north facing windows to maximise use of natural light for heating during the winter months;
- electric appliances and water heating systems to reduce reliance on natural gas;
- sensor lighting and water tanks;
- timers on heating systems; and
- activation lighting – using sensors to activate services such as lighting and ventilation in use while the remainder of the building lies dormant to reduce cost and improve building lifecycle.

# R. J Sillitoe Reserve Pavilion

- Almost complete
- Inclusive changerooms and amenities
- First Aid + Umpires facilities
- Large social space and accessible amenities
- Upgraded kiosks and store rooms
- Kitchenette to enable shared community use
