<b>Item 10.7</b> <b>Proposed Bicycle Route Connecting Cheltenham and Sandringham</b>	<b>For (F)</b> <b>Against (A)</b>
<b>1. Mr Paul Hendrick</b>	<b>(A)</b>
<p>I am against the relocating the bicycle route to George Street and Spring Street Sandringham. There is currently a bicycle route in Tulip Street to Bluff Road by utilizing the existing infrastructure there would be less cost to ratepayers. If you insist on using Spring Street, have you considered using the road through the park from Tulip Street at the base ball / lawn bowls club to spring street the infrastructure is already in place.</p>
