Form of Indemnity for individuals

Please do not complete this page if you intend providing a photocopy of your public liability insurance.

This is a legally binding agreement.

Name of guarantor	
Address	
Occupation	
Name of organisation	

It is between Bayside City Council (Council) and the person named above (guarantor). It arises out of an indemnity given by the company or incorporated association named above (organisation) concerning the proposed issue of a permit to the organisation under the *Road Management Act 2004*.

The guarantor agrees that, in exchange for Council issuing the permit under the Local Law, the guarantor will pay and make good to Council on demand any loss, damage, costs and expenses incurred by Council as a result of the organisation's refusal or failure to honour the indemnity given by it.

The guarantor further agrees that any negligence or tolerance by Council in attempting to obtain payment or enforce the performance of the organisation's indemnity will not release or, in any way affect, the guarantor's liability under this agreement.

Finally, the guarantor agrees that the guarantee given under this agreement is a continuing guarantee and that the guarantor's liability will not be affected by any indulgence shown to the organisation by Council.

Form of Indemnity for companies and incorporated associations

Please do not complete this page if you intend providing a photocopy of your public liability insurance.

This is a legally binding agreement.

This indemnity is between Bayside City Council (Council) and the company or incorporated association named (organisation).

It arises out of a proposal by Council to issue a permit to the organisation under the *Road Management Act 2004*.

The organisation agrees that, in exchange for Council's issue of the permit under the Local Law, it will indemnify Council and keep Council indemnified against any and all liability (including liability and negligence) and any and all loss, damage, costs and expenses incurred by Council which arise out of anything done or omitted to be done by the organisation in or on the area which is the subject of the permit.

Application requirements

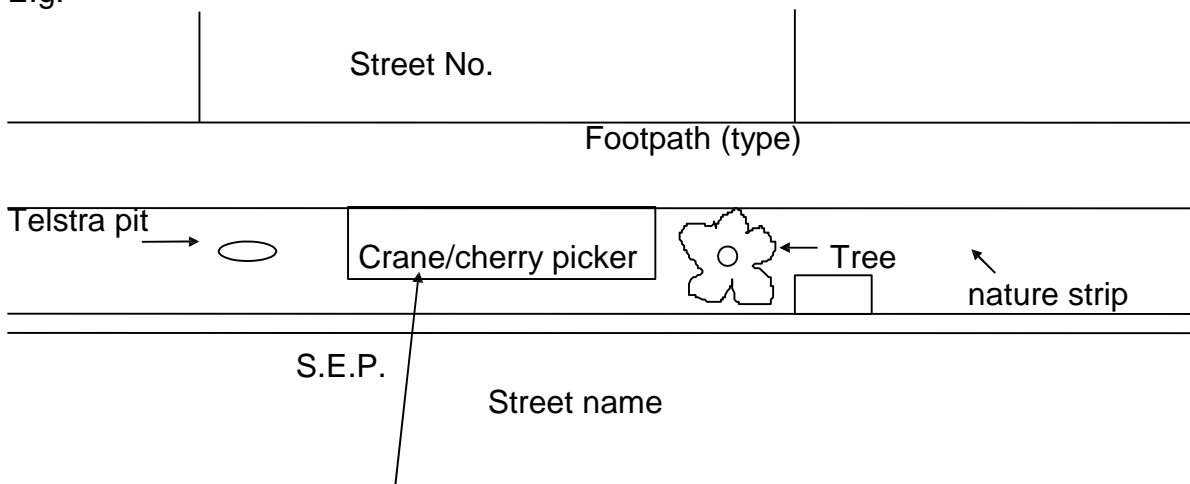

The following must be attached to the application form:

- A current copy of public liability insurance (indemnifying Bayside City Council).
- A site plan showing the area being used for crane/cherry picker. This plan must be true and correct.

The site plan must show:

- property boundaries and approximate distance from nearest street corner
- vehicle crossings
- footpath (concrete or asphalt)
- nature strip
- kerb and channel
- road reserve
- foliage / vegetation (e.g. trees, shrubs, etc.)
- all service authority assets (for example, power poles, Telstra pits, drainage pits, sewerage pits, fire hydrants, etc.).

E.g.

Including dimensions of area used (i.e. 6.3m x 1.5m = 9m²)

Disbursement slip: Amenity Protection – Crane permit

Permit: 284.1.1220

Amount due: \$ _____

Conditions and guidelines

1. The permit holder shall ensure that the permit is kept current at all times. Council must be notified immediately any portion of the area utilised is changed.
2. Any work on or adjacent to the site shall not represent an unacceptable risk to health and safety to the public.
3. During road occupation a clear width of 1.5 metres shall be provided for pedestrian traffic to walk without walking onto the carriageway. The pedestrian route shall have a firm, even and free draining surface, free from steps and obstructions. The route for pedestrian traffic shall be clear of nature strip trees, signposts or other similar obstructions.
4. Seats, litter bins, planter boxes, etc. shall not be relocated without the approval of the Manager Asset Management.
5. Where a nature strip tree is affected, before erecting a hoarding or awning, contact Council's Parks Management Department on 9599 4444. It is an offence to destroy, damage or interfere with nature strip trees without the approval of the Parks Management Department.
6. Pits and valve covers, hydrants, etc. must remain readily accessible.
7. The crane or cherry picker shall not obstruct motorist's line of sight or cause danger to any road user.
8. Two steady yellow lamps shall be provided from sunset to sunrise on the ends of the crane/cherry picker area with additional lamps at a maximum of 10 metre centres along the length of the hoarding.
9. Support for the hoardings must be arranged so that hoarding panels are stable under all conditions (the hoardings shall be designed for the appropriate wind category).
10. Gates in the hoardings shall open inwards.
11. Hoarding panels shall be 20 millimetre minimum, solid faced boarding, plywood or other approved materials and be painted and kept clean at all times. No placards shall be posted on the hoardings.
12. Hoardings shall be maintained in good condition and no objects shall protrude beyond the face of the hoarding. Any damaged hoarding shall be repaired or replaced immediately.
13. The mixing of materials or storage of materials, outside the permitted area, is not permitted.
14. The permit holder shall make provision for traffic and pedestrians in accordance with these conditions and the relevant sections of *AS1724.3, Manual for Uniform Traffic Control Devices, Part 3, Traffic Control Devices for Works on Roads*.
