Recycling, food and green waste fortnightly service

Your recycling bin will be collected on the opposite week to your food and green waste bin.

Recycle right with these top tips

- Remember, soft plastics don't go in your recycling bin. If it can be scrunched into a ball, it can't go in your recycling bin. Recycle it via a REDcycle bin at your local supermarket or dispose of it via your general waste bin.
- Do not bag up your recyclables – always put them in the bin loosely.
- Scrunch your aluminium foil into a ball so it can be easily identified by the machinery at the facility.
- No need to rinse! Just ensure there is no leftover food in the packaging.
- Leave lids and labels on all bottles, jars and containers, the recycling facility will remove and sort these.

If in doubt, leave it out – or check bayside.vic.gov.au/what-can-go-your-bins
