# DO YOU HAVE WHAT IT TAKES TO CREATE A WORK OF ART?

Do you love art and design? Do you have what it takes to create a work of art? Would you love to see your work on display? Are you aged between 10–25 and live, go to school in or have a connection to Bayside? Then it is time to get creating!

Enter your artwork in the Young People of Bayside Art Exhibition and competition.

Artwork of all varieties will be accepted, including paintings, drawings, craft, graphics, mixed-media, photography, sculpture, textiles, fashion design and computer-generated art... the choice is yours!

Winners of various categories will win prizes including vouchers from local retailers.

Art pieces will be put on display at Bayside City Council's reception area for the whole community to see and experience.

This is an opportunity for budding young artists to showcase their talents and have their work publicly exhibited.
